EDUCATION

SITAM COLLEGE OF ENGINEERING

B.TECH in Computer Science(AI&DS) - CGPA -7.57

2020 – 2024

Vizianagaram, AP

P.S.N JUNIOR COLLEGE

MPC -CGPA -9.69

2018– 2020

Balijipeta,AP

Z.P.High School

SSC - CGPA – 9.7

2018

Balijipeta,AP

PROJECTS

Depression Detection using NLP.

- Developed a comprehensive system to detect the depression through texts.
- Techniques include text preprocessing, feature extraction, and machine learning models for classification are used.

Employee Mental Stress Ability.

- Aimed to analyze data to predict employee stress levels using Machine Learning.

Whatsappchatbot using Python.

- Developed a Whatsapp Chatbot using Python,Django and a whatsapp API Twilio.

INTERNSHIPS

Web Development Intern at Navodita Infotech.

- Trained on web application designing .
- Developed temperature converter website.

Data Science Intern at Taurus Technologies.

- Learnt about Python and Machine Learning Algorithms.

SKILLS

Programming Languages: Python.

FrameWork : Django,Flask.

Web Development: HTML,CSS,JavaScript,React JS.

Database: MYSQL.

Soft Skills: Adaptability,Creativity,Observation Skills,Teamwork.

CERTIFICATIONS

- Python with Machine Learning by Data Pro.
- SQL - Basics and Intermediate from HackerRank.
- NPTEL on Data Mining.
- Technical Operations - AMCAT.
